ST JOHN'S CEI SCHOOL

SCHOOL COUNCIL NEWS

Introducing our School Council!

The school councillors have been elected by their classes, based on their ability to best represent the school and our values of Faith and Love.

Butterflies - Alnata and Raihan

Squirrels - Ruby and Tijesu

Owls - Inaya and Mason

The children have obviously made a positive impression on their peers to have been elected.

Congratulations to you all, we are already proud of how you represent our school!

Their Aim

'We really would like to have some play equipment for lunchtime. At the moment we don't have any games or toys to use. We would love to raise some money so that we can buy new equipment for everyone to enjoy'

The School's Council is an ideal opportunity for pupils to get more involved in the way the school is run. The School Council benefits the whole school, pupils and teachers, because it provides opportunities for pupils to communicate their feelings as well as influence decisions that are made.

Why do we need a School Council?

Electing a school council is a primary method for promoting fundamental British values, particularly democracy, by allowing students to experience the electoral process firsthand. Through campaigns, speeches, and secret ballots, pupils learn about representation, decision-making, and the importance of having a voice.

Fundraising

The Councillors have lots of lovely ideas to help improve the school for their friends and future generations of pupils.

Together we hope to achieve these goals, but we will need your support!

Our first fundraiser for playground equipment will be a 'Bring and Buy' cake sale on **Tuesday 24th February.**

It's a great opportunity to show off your baking skills, get the children involved and support the school council.

More details to follow soon.

Thank you - Miss Stanley and The SJI School Council
