Term 5 Week 4

Butterflies Class Fun...

Butterfly Class have been focusing on the story of the Three Little Pigs this week. They have explored creating structures with cocktail sticks and mini marshmallows and shreddies with biscuit spread as cement. It took lots of concentration and needed great manipulative skills.

Some of us enjoyed creating paper plate faces of the pigs and the wolf. It was lovely to see children writing sentences independently about the story and practising their numbers without being prompted.

Fenn Bell Trip

A reminder to all parents of our Butterflies...you will have received a letter this week for an exciting trip on Wednesday 10th June to Fenn Bell Zoo. Please ensure this trip is paid for on Arbor (£7) and that you have signed your permission slip and returned back to school as soon as possible. It is going to be an incredibly exciting day for all. Thank you

Class Photos

A reminder that class photos will be taking place on Tuesday 19th May during the school day.

Owl Class Assembly

A huge thank you to Owl class parents for coming to watch their class assembly. It was so great to see so many of you and the children were amazing, sharing their work with you. Further class assembly dates to follow...

Lateness...

Unfortunately we still having a large amount of children arriving after 8:55am to school every day. Arriving at school on time is extremely important, as even a small amount of lateness each day can quickly add up over the course of the year. **Being just 5 minutes late every day equates to over 3 full days of lost learning across the school year.** These missed minutes can mean children miss important morning routines, phonics sessions, key instructions and opportunities to settle positively into the day alongside their classmates. Breakfast Club is available to support you if needed for the morning rush.
