From the smallest of seeds fed with faith and love our St John's family will flourish and grow.

St John's Newsletter
Term 6 Week 2

A few reminders for the week ahead...

The school gates open at 8:40am and close at 8:55am. Please ensure your child arrives on time so they can enter school promptly and begin their learning with their class. Every minute of learning counts, and small amounts of missed time can quickly add up over the course of the year. We are busy organising our Summer Fair, and more information will be shared soon, including opportunities for volunteers to help on the day. If you have any donations for the fair (excluding those already collected as part of Celebration Week), we would be very grateful if these could be dropped off at the school office.

Every penny raised will go directly towards enhancing our school environment, with our current focus being the development of a new Forest School area. We are excited to share these plans with you in the coming weeks. If you know of any local businesses that would be willing to donate a raffle prize, we would be incredibly grateful for your support. Thank you for your generosity, enthusiasm and continued support in helping us make this a fantastic community event for our children.

Butterflies Trip

On Wednesday 10th June, Butterflies class had a wonderful trip to Fenn Bell Inn. The children had the best time seeing a host of animals, such as otters, flamingoes and even shouting monkeys. A highlight of the day was seeing the bats in their homes, eating their breakfasts. Mrs Edwards was not too keen on these, but the children looked after her in that enclosure! The children were all impeccably behaved, a real credit to the school and to their parents. Well done Butterflies!

Phonics Screening

Well done to our Year 1's and some Year 2's who have worked incredibly hard on their phonics screening this week. We are very proud of every single one of you. Scores for this will be shared in your child's end of year report.

Next week is our whole school assessment week. Attendance next week is essential so we are able to accurately assess your child's current levels. Thank you

From the smallest of seeds fed with faith and love our St John's family will flourish and grow.

Star of the Week!

Butterflies: Graham

Squirrels: Sapphire

Owls: Tommy

Celebration Award

Butterflies: Chimdi

Squirrels: Cosmo

Owls: Zairha
